5. The winners will be determined by the heaviest fish of any species common to Little Ossipee Lake (Excluding Cusk).

## 2010 Derby Rules

9. Children may enter the adult division provided they have purchased an adult ticket and are then only eligible for adult prizes. A child may not enter both divisions
10. Fish will be weighed at the official weigh station near the boat launch. The designated officials will weigh the fish and determine an exact weight. The contestant will verify the weight and it will be final. If an entry makes the leader board, it will be logged, tagged and placed in a secure area. All fish submitted that do not make the leader board will be marked and returned immediately. (Marking is to prevent weights from being altered and re-submitted or the fish being entered in another division.) There will be no re-weighing after contestant confirmation.
11. Door prizes will be drawn throughout the day approximately on the hour between 9:00 a.m. and 3:00 p.m. These winners need not be present to collect the prizes. FET will contact the winner. The prizes may be picked up within two weeks at a specified location. Any prizes not collected will be added to the next years event or returned to the sponsor.
12. Post Tournament Door Prizes will be drawn after weigh-in is closed at 3:30 p.m. These prizes must be collected when drawn by the winner or a person holding their ticket. If the prize is not promptly collected, it will be re-drawn until there is a winner.
